

## Freelance Work

- [ **Eleventybillion.com** ]  
Web Design  
11.2002 - Present  
Design and maintain a website through a number of layouts, handling all aspects of branding, creation, and publication. Work primarily in HTML and CSS, with occasional implementation of Flash, Javascript, and PHP.
- [ **Breakeven** ]  
Illustration / Craft  
06.2009 - Present  
Design and create a line of handmade jewelry and crafts, using materials such as wood, beads, fabric, and paper to create products that appeal to a wide range of consumers. Sell and ship both domestically and internationally.
- [ **Hollowfool Films** ]  
Graphic Design  
05.2008  
Working with the director, created a logo for a fictional business featured in a short film. Designed posters and shirts for use in the film, as well as the treatment for the DVD. Created an alternate illustration for the DVD's back cover.
- [ **VSA Partners** ]  
Storyboard  
03.2008  
Developed a set of storyboard illustrations for a women's motorcycle magazine, to be used as direction for the magazine's photography. Quickly produced a high volume of work, while maintaining a style and theme between boards.
- [ **Wondrasek Creative** ]  
Illustration  
01.2007  
Working in collaboration with another artist, developed 72 vector-based spot illustrations in a variety of subjects and styles, for use on stationery. Worked through revisions to fit the needs of the client.
