

## FREELANCE WORK

**Eleventybillion.com**

Web Design  
11.2002 - Present

Designed and maintained a website through a number of layouts, handling all aspects of branding, creation, and publication. Worked primarily in HTML and CSS, with occasional implementation of Flash, Javascript, and PHP.

**Breakeven**

Illustration / Craft  
06.2009 - Present

Designed and created a line of handmade jewelry and crafts, using materials such as coconut, beads, and fabric to create products that appeal to a wide range of consumers. Sold and shipped orders domestically and internationally.

**Hollowfool Films**

Graphic Design  
05.2008

Working with the director, created a logo for a fictional business featured in a short film. Designed posters and shirts for use in the film, as well as the treatment for the DVD. Created an alternate illustration for the DVD's back cover.

**Wondrasek Creative**

Illustration  
01.2007

Working in collaboration with another artist, developed 72 vector-based spot illustrations in a variety of subjects and styles, for use on stationery. Worked through revisions to fit the needs of the client.

## WORK HISTORY

**Riverwatcher Studios**

Web Designer  
01.2010 - 09.2011

Designed layouts in Photoshop and translated them into websites using HTML and CSS. Worked with Subversion revision control and created templates for CMS-based websites. Also created illustrations and animated sprites for iPhone games.

**Broadway in Chicago**

Concessions Salesperson  
12.2008 - 01.2010

Assisted theater patrons as a coat check attendant and concessions salesperson. Responsibilities included setting up concessions displays, handling cash transactions, and answering patrons' questions.

**Enjoy**

Sales Associate  
05.2008 - 03.2009

Responsibilities included opening and closing the store, assisting customers, designing displays, answering and placing phone calls, and filing and data entry work.
